GSR 185-LI PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Setting new standards in convenience and performance: the GSR 185-LI Professional cordless drill driver unleashes 18V power with the compactness of a 12V version. Easy to use, it is built for demanding jobs while offering excellent handling. The GSR 185-LI Professional is equipped with a brushless motor, meaning longer tool life and more work done per charge. It dispatches a maximum speed of 1,900 rpm, providing a high level of efficiency on the worksite, when screwdriving in wood or drilling in wood and metal.

Equipment & Application

The GSR 185-LI Professional delivers top results when screwdriving in wood up to 10 mm or drilling in wood up to 35 mm and in metal up to 10 mm in depth. It's ideal for tradesmen and artisans who work in tight spaces and require full capacity.
