Product Highlights

The powerful GSB 120-LI Professional cordless impact drill driver delivers flexibility within reach for screwdriving and drilling in wood, steel, plastics, and masonry. Its optimised, 2-speed gearbox enables high productivity on the job with excellent torque during operation. Electronic Cell Protection guards the drill's battery from under-voltage, excessive current draw, and deep discharge, which prolongs its lifetime and increases durability. This tool offers reliable Bosch quality within reach for every professional working in a wide variety of applications.
