GSB 185-LI PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Optimised for size, the compact GSB 185-LI Professional cordless impact drill driver comes with a brushless motor and delivers a long-lasting performance with high speed. The impact drill driver's compact design is made for challenging jobs while providing users with superior handling and operation. Thanks to its brushless technology, this power tool masters even the toughest jobs with ease while delivering longer battery runtime and durability. Achieving a maximum speed of 1,900 rpm, the GSB 185-LI Professional maximizes efficiency on the worksite, especially when screwdriving in wood or drilling in wood, metal, and masonry.

Equipment & Application

This compact and powerful performer drives screws into wood up to 10 mm and drills in wood of up to 35 mm, as well as metal or masonry up to 10 mm. It's made for tradesmen and artisans who demand a higher performance on challenging jobs, and for working in hard-to-reach areas.
