GBH 185-LI PROFESSIONAL: FURTHER INFORMATION

Product Highlights

The GBH 185-LI Professional is packed with power and features, elevating the drilling experience to a next level, with extra efficiency, safety and control. More holes are drilled per fully charged battery and stable power output delivered by its potent Bosch 18V brushless motor combined with constant speed. Includes enhanced safety against accidental jams and reduced vibration exposure due to KickBack Control and Vibration Control, respectively. It also contributes to a dust-free work condition through its attachable Auto Power GDE 12 extractor.

Equipment & Application

The GBH 185-LI Professional is the powerful performer in its class for hammer drilling and chiselling in concrete and bricks, also drilling in wood and steel. It delivers a simplified and much more efficient work experience with continuous speed, minimized vibration effects, and dust-free work condition.
