GBH 220 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Bosch's GBH 220 Professional rotary hammer with SDS-plus technology is the ideal compact entry-level solution for hammer drilling. Its powerful 720 W motor and 2.0 J of impact energy make for effective hammer drilling in concrete of up to 22 mm in diameter. Versatility and convincing results are safeguarded by the three-mode rotary hammer for hammer drilling, drilling, and chiselling. This compact rotary hammer offers professional Bosch hammer performance within reach.
