

< Marble saws

GDC 141 PROFESSIONAL

DIAMOND TILE CUTTER

<

1 / 6

>

Functions & key features

Powerful and smooth on hard surfaces

- Powerful for fast cutting thanks to motor of 1400W power
- Precise cutting due to low vibration of tool and disc that allows easy control
- Enhanced safety and convenience because power cord is moved to the side for easier operation in various cutting positions which would avoid tangling and cutting into the cable

Disc diameter	125 mm
Operating mode	dry
Max. cutting capacity (90°)	40 mm

The A-rated noise level of the power tool is typically as follows: Sound pressure level dB(A); Sound power level dB(A). Uncertainty K= dB.

* You can find more information about the deviations in the following link: Technical features of products

GDC 141 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Following the heritage of current GDC 140, the new GDC 140 is positioned as Bosch's main model by offering affordability, reliability and performance simultaneously.

Equipment & Application

Fast cut and smooth cutting feeling make the tool ideal for tile, stone cutting at decoration projects and stone workshops; strong over-load capability provides benchmark endurance in heavy load application like wall chasing in concrete material.
