GAC 250 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Make your life easier with the new GAC 250 AAC cutter from Bosch. With its powerful 1,200 W motor, it effortlessly cuts through autoclaved aerated concrete (AAC) blocks of varying sizes. The 25 cm cutting capacity and maximum 12 m/s² chain speed make cutting highly efficient at different angles. The GAC 250’s light weight, compact size, and ergonomic handle make it comfortable to use all day long, and the rotating saw chain minimizes vibrations. Bosch’s unique Tungsten Carbide Technology makes the saw blade extremely tough and durable, providing a 10 times longer lifetime.

Equipment & Application

The Bosch GAC 250 AAC cutter cuts effortlessly and efficiently through autoclaved aerated concrete (AAC) blocks of varying sizes and at different angles, while minimizing vibration and muscle strain for the user.
