GBL 650 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

Keeping your working area clean and dust free can be a challenge, especially if you need to cover both large areas and specific spots. Our GBL 650 Professional blower offers you powerful blowing efficiency with an air flow of 3.7 m³/minute. Compact, and weighing in at only 1.4 kg, it is less tiring and easier to operate. And it's compatible with various nozzle attachments, broadening your scope of usage options.

Equipment & Application

The GBL 650 Professional, with its excellent power-to-weight ratio, efficiently removes dust and dirt from large areas such as in factories and on workbenches, as well as smaller spaces.
