GSB 600 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

The GSB 600 Professional has a robust and powerful upgraded 600 W motor which helps to save energy and time to complete the job. The tool ensures great performance, delivering more tolerance for high loads. The 13 mm impact drill offers long durability thanks to the improved carbon brush and its high-quality design. Additional ribs provide a better fixation of the auxiliary handle to prevent wrist injuries.

Equipment & Application

The impact drill is versatile and its main application is drilling in masonry, metal, and wood, but it can also be used for hole sawing and screw driving in metal and wood plates.
