GST 680 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

The GST 680 Professional jigsaw gives extra confidence in day-to-day work with more power, precision, comfort, and less effort. A faster cutting experience is conveniently achieved with its powerful 500 W motor. While the pre-selection speed wheel allows to cut through multiple materials effortlessly with optimized, adjustable performance, the ergonomic handle design offers superior holding experience by using more soft rubber for longer work longer, fatigue-free hours.

Equipment & Application

The corded jigsaw easily cuts wood, metal, and other materials. It can cut curves and rounds just as easily as straight lines. It is ideal for precise cutting of shapes for cabinet installers, carpenters, framers, roofers, and property and plant managers.
