GEX 125 PROFESSIONAL: FURTHER INFORMATION

Product Highlights

The Bosch Professional GEX 125 is the ideal random orbital sander for highly efficient sanding with more comfort. This compact corded sander has a well-balanced design, making it easy to control and guide along wooden and other material surfaces. Low tool vibrations of 3.8 m/s² enable finishing more sanding as hand fatigue and numbness are kept to a minimum. For even greater sanding efficiency, the speedy and powerful 290-watt motor removes material at a high rate.

Equipment & Application

Carpenters, cabinet installers, and wood manufacturers choose the power and comfort of the GEX 125 random orbital sander. This tool is ideal for sanding down wood and plaster, as well as for sanding metal and plastic surfaces. It leaves behind a smooth finish with no marks or scratches.
